

Congratulations! Your paper parchment and transcript are enclosed.

MyCreds™ is an additional way to access your official documents electronically.

You will have already received an email to your Sask Polytech email address with information about MyCreds™—a national shared service and platform that allows students and alumni to access a secure, online, password-protected learner credential wallet. Through MyCreds™ you can share your educational credentials on a 24/7 basis—anytime, anywhere.

The email you received contains a login link to the platform, where you will be required to create an account to access your documents.
